Maine's Finest Chocolates Since 1915

## Keeping Maine Sweet for 100 Years!

Haven's began handcrafting candies in 1915 from Herbert Haven's Kitchen on Forest Avenue in Portland, Maine. Today we continue to thrive by sticking to our roots and using traditional methods, fine ingredients and a commitment to superior quality.

| Name                    | Description   | Cost   |

## Customization and Convenience

- ❖ We handle all the details: packaging, gift wrap, personalization, and shipping.
- ❖ Our corporate gift specialist will manage your order and meet your deadline.
- ❖ We work within your budget and have no minimum orders
- ❖ Your clients receive top quality products made with premium ingredients showing your personal touch.
- ❖ All items in each gift are customizable to your preferences.

Intel clean suit

## The Process

### We make customization easy

- ❖ You provide your logo with size specifications in a JPEG or PDF format. We take care of creating the mold.
- ❖ The mold is created in 7 to 10 business days and then production of your chocolates can begin.
- ❖ We will help you decided on appropriate packaging for your chocolates.
- ❖ After packaging, it is ready to ship or be picked up at our factory store in Westbrook.
- ❖ If you would like us to ship directly to your clients we will provide you with a formatted spreadsheet for their addresses.

\*3-D chocolates can be made with some limitations please call for more information\*
